COMMISSION

Dear Ms. Maxwell:

DOCKETS UE-190334/UG-190335

RE: Electric and Natural Gas Decoupling Mechanism Quarterly Report

Attached for filing with the Commission is an electronic copy of the Electric and Natural Gas Decoupling Mechanism Quarterly Report.

The report consists of spreadsheets showing the monthly revenue deferral calculations for October, November and December 2022.

Also included in the report are the monthly general ledger balances resulting from the deferral and amortization activity during the 4th quarter of 2022.

Additionally, this report includes annual reporting on new customers excluded from the mechanism and the proportion of annual decoupled revenue attributable to weather under a variety of moving average weather normalization assumptions.

Questions regarding this filing should be directed to Marcus Garbarino at (509) 495-2567.

Sincerely,

/s/ Joe Miller
