Dear Ms. Washburn:

Attached are the July payments for the Washington Performance Assurance Plan ("PAP") based upon May 2008 performance.

The May data includes reruns of the OP measurements for the prior three months to implement coding changes as part of continuous improvement associated with identifying Qwest caused delay days for inclusion in the results. I have also attached the Monthly Payment Reconciliation Report, since we have an overpayment balance.

If you have any questions, please feel free to call me.

Sincerely,

A handwritten signature in cursive script that reads "Ron L. Trullinger".
