Re: Roman Solutions d/b/a Rocket Transportation Application Hearing

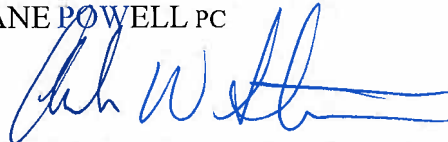

Dear Ms. Washburn:

I represent Roman Solutions d/b/a Rocket Transportation in their application for a bus certificate from the Utilities and Transportation Commission. Several protests were filed against Rocket Transportation's application and a hearing has been scheduled for July 11, 2007.

The deadline for witness and exhibit lists for this hearing is today, July 3, 2007 at 5:00 PM. The parties have just reached a settlement agreement in principle, however, that would satisfy all the protestants. Because it is unlikely that I will be able to obtain all the necessary signatures before 5:00 PM this evening, I have asked Judge Rendahl for an extension of the deadline for witness and exhibit lists till 12:00 PM (noon), Friday, July 6, 2007. She indicated she would be amenable to such an idea. I also hope and intend to have the settlement agreement signed by all parties and filed by that time.

Very truly yours,

LANE POWELL PC
