Re: U-101973 Low-Income Program Conservation Inquiry

a project of:

**Community Action**

A Community Action Agency  
serving Whatcom, Island and  
San Juan Counties since 1965

Dear Mr. Danner --

Enclosed is a corrected response from the Energy Project that should replace the document filed January 14, 2011, regarding the Commissions staff's inquiry, U-101973. We discovered that the original document contained a chart that included a number of incorrect figures. That chart is corrected in this document. Please feel free to contact me in we can be of any assistance in planning the agenda for the workshop on February 1. Thank you.

Respectfully,

Charles M. Eberdt
