RE: Notice of Intent to Send to Collections, Penalty Assessment No. TV-131599

Dear Mr. Clasablanca:

As you are aware, on October 8, 2013, the Washington Utilities and Transportation Commission (Commission) entered Order 02, Stipulated Initial Order Classifying Respondent as Household Goods Carrier; Ordering Respondent to Cease & Desist; Imposing and Suspending Penalties on Condition of Future Compliance (Order 02). Order 02 ordered you to cease and desist operating as a household goods carrier and imposed a fine of \$5,000 for two violations of RCW 81.80.075(1), suspending \$4,500, on conditions. The remainder of the penalty, \$500, was payable subject to a payment schedule.

The Commission received one payment of \$50, and has no record of additional payments. According to the conditions of Order 02, the entire penalty would be due and owing if one payment was missed. The Commission sent you a Final Notice dated June 26, 2015, indicating that the balance of \$4,500 was due.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$4,500 balance.

If you have any questions about this letter or about your obligations under Commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

SALLY BROWN
Senior Assistant Attorney General
