1 On November 18, 2014, the Walla Walla Country Club (Country Club) filed with the Washington Utilities and Transportation Commission (Commission) a formal complaint against Pacific Power & Light Company (Pacific Power). On December 10, 2014, Pacific Power filed an answer to the complaint. The complaint alleges that Pacific Power has violated the terms of Net Removal Tariff Rule 6, and violated both Commission order and statute. The complaint further alleges that Pacific Power has unlawfully refused to disconnect its facilities from the Country Club property, and has demanded exorbitant charges for unnecessary facility removal far in excess of amounts approved under the Eighth Supplemental Order in Docket UE-001734. A more detailed account of the dispute is reflected in the complaint, which is available for inspection at the Commission’s office located at Richard Hemstad Building, 1300 S. Evergreen Park Drive S.W., Olympia, Washington, and on the Commission’s website at [www.utc.wa.gov/143932](http://www.utc.wa.gov/143932). It is appropriate that the matters raised in the pleadings be brought for hearing before the Commission.
