**Re: Docket No.: UT-180831
Supplemental Response Status**

Dear Mr. Johnson:

On January 22, 2019, CenturyLink provided responses to certain questions previously posed in this docket. CenturyLink committed to supplement the response to question (1) and associated subparts by February 8, 2019, or to update the Commission on the status of the response. CenturyLink is now writing to advise the Commission that it is still analyzing the data associated with the provisioning of new or replacement buried service wire, and will therefore provide a response on or before February 15, 2019.

Sincerely,

/s/ Lisa A. Anderl
