WATER SERVICE
RULES AND REGULATIONS

Rule 16 – Rates

Rates for water service and supply are those published in the utility's tariff on file with the Commission. Unless otherwise stated in this tariff, the rates apply to a single service, to one customer at one premise. Water service must be subscribed to on an annual basis. No proration or reduction in billing is allowed unless this tariff establishes temporary or seasonal rates.

When conditions require that two or more consumers with separate housekeeping establishments occupy the same or separate dwellings (Accessory Dwelling Units) be supplied through one metered service, consumers using water will be considered a single customer and will be charged the base charge as provided by the schedule of rates for the size of meter installed. If the consumption as shown by the meter exceeds the allowance or usage blocks for the size of the meter, the excess Consumption charge will be computed at the tariffed rates for one customer for the size of the meter installed.
