Re: UW-240720

Dear Mr. Killip:

I am being forced to withdraw my rate increase filing in docket UW-240720 as staff has been directed to work on "formal cases" instead of mine. We will be filing a new general rate increase with a 2024 test year in the near future. We hope that staff will be allowed to work on our case when it is submitted so that there are no additional delays. The systems affected by this request are:

Domestic and Irrigation Systems
