RE: Cascade Natural Gas Corporation's 2023 Integrated Resource Plan
 (Docket UG-220131)

Dear Mr. Johnson:

Pursuant to WAC 480-90-238(4), enclosed for filing is a draft filing of Cascade Natural Gas Corporation's 2023 Integrated Resource Plan (IRP or Plan). Cascade will note that stochastic analysis results are not fully finalized and will be discussed during the Company's TAG 6 meeting and included in the final filing of the IRP.

Cascade thanks WUTC Staff and the other stakeholders for their focused attention throughout the entire IRP process. The feedback, suggestions and guidance we received from the public via the Technical Advisory Group (TAG) meetings and the draft IRP greatly assisted Cascade in meeting today's milestone.

Again, the Company thanks WUTC Staff and all stakeholders for their beneficial involvement in Cascade's 2023 IRP process. If there are any questions regarding this matter, please contact Brian Robertson at (509) 221-4546 or myself at (509) 734-9808. Alternatively, we may be reached at brian.robertson@cngc.com and mark.sellers-vaughn@cngc.com, or at irp@cngc.com.

Sincerely,
 CASCADE NATURAL GAS CORPORATION

Mark Sellers-Vaughn
 Manager, Supply Resource Planning
