**Dockets UE-220066 & UG-220067
Puget Sound Energy
2022 General Rate Case**

BENCH REQUEST NO. 4:

Exhibit CLW-26 appears to be a presentation of the phased Dunning Approach presented to the Low Income Advisory Committee.

- a. Please provide the date on which this presentation was made to the LIAC.
- b. Please provide the members of the LIAC present when this presentation was delivered.

Response:

- a. Exhibit CLW-26 was filed in this proceeding to illustrate the early thinking on Puget Sound Energy's ("PSE") planning for the resumption of disconnections. This presentation was not formally presented to the Low Income Advisory Committee, but rather discussed over the course of several meetings as disconnections resumed. These discussions specifically occurred at the January 11, 2022, July 12, 2022, and November 8, 2022, meetings.
