DATA REQUEST NO. 21:

Regarding the prefiled testimony of Brian Wilhelm, Exhibit BW-1T, on page 6, produce all records relating to each of the following ideas that Mr. Wilhelm states PCA presented for the period of January 1, 2020 to present:

1. Loading the OCC Rejects in the back of the building directly into trucks;
2. Using a conveyor belt truck for hauling the OCC Rejects;
3. Building a bunker in the back of the building to store OCC Rejects as there is more space in the back.

This request includes without limitation the following: all internal Communications at PCA regarding those ideas; any Communications between PCA and any third person regarding those ideas; and any cost projections, cost estimates, bids, requests for proposal, requests for information or other similar documents regarding those ideas.

RESPONSE:

No documents responsive to this request are believed to exist.

PCA reserves the right to amend or supplement this response.
