3 The administrative rules at issue are WAC § 480-07-340, -355.

4 ICNU is an incorporated, non-profit association of large electric customers in the
Pacific Northwest. A list of ICNU members is included as Attachment A. ICNU represents
some of Avista Corporation's ("Avista" or the "Company") largest customers.

5 ICNU's member companies that take service from Avista have a substantial
interest in Avista's proposed electric rate increases, filed by the Company on May 26, 2017. The
proposed rate changes would substantially and directly affect those ICNU members who
purchase power from Avista. ICNU requests leave to intervene in this docket to represent and
take positions on behalf of its members who are affected by Avista's proposed rate increase.

6 ICNU has extensive experience in proceedings before the Commission involving
Avista. ICNU participated in the Company's most recent general rate case, UE-160228, and
many prior Company rate proceedings over the past decades. ICNU's intervention in this
proceeding will assist the Commission in resolving the issues and will not unreasonably broaden
the issues, burden the record, or delay this proceeding.

7

As described above, ICNU has a direct and substantial interest in this proceeding that will not be adequately represented by any other party, and may be affected by any Commission determination made in connection with this proceeding. Thus, it is in the public interest to allow ICNU to intervene in this proceeding.

8

WHEREFORE, ICNU respectfully petitions the Commission for leave to intervene in this proceeding.

Dated this 1st day of June, 2017.

Respectfully submitted,

DAVISON VAN CLEVE, P.C.
