Re: UE-191023 Proposed Rules, Suggested Redline version

Dear Mr. Johnson:

The NW Energy Coalition hereby submits a corrected redlined version of the rules in UE-191023, that were originally submitted September 11, 2020, via the portal. We learned today that the conversion from a docx document to a pdf made some of our edits unclear. This submission corrects that.

Cordially,

Joni Bosh
