**NOTICE OF DEADLINE TO RESPOND TO MOTION TO STRIKE  
(Responses due by 5 p.m., November 3, 2023)**

RE: *Washington Utilities and Transportation Commission v. Puget Sound Energy*,  
Docket UG-230393

TO ALL PARTIES:

On May 25, 2023, Puget Sound Energy (PSE or Company) filed with the Washington Utilities and Transportation Commission (Commission) revisions to its currently effective natural gas tariff WN U-2. PSE characterizes its filing as establishing a new tariff schedule, Schedule 141LNG – Liquefied Natural Gas Rate Adjustment, made pursuant to the Commission’s final order in Dockets DE-220066 and UG-220067 (Final Order), PSE’s last general rate case (2022 GRC). This new tariff schedule will allow PSE to recover the costs incurred with the development, construction, and operation of its Tacoma Liquefied Natural Gas (LNG) Facility.

On October 30, 2023, the Public Counsel Unit of the Washington Attorney General’s Office (Public Counsel) filed a Motion to Strike Certain Testimony Filed by PSE (Motion). Per WAC 480-07-375, a party that opposes a written motion may file a written response within five business days or at such other time as the presiding officer may set. Because the evidentiary hearing in this matter will be held on the fourth day following service of the Motion, the Commission finds good cause to shorten the deadline to respond. The Commission hereby requires that any responses to the Motion be filed no later than 5 p.m. on Friday, November 3, 2023.

**THE COMMISSION GIVES NOTICE That the Commission requires any responses to Public Counsel’s Motion to Strike be filed no later than 5 p.m. on Friday, November 3, 2023.**
