**RE: Dockets UE-220066, UG-220067, and UE-210918 – Multi-Year Rate Plan Metrics  
Compliance Filing – First Supplemental**

Dear Executive Director Killip:

In compliance with paragraph 111 of Final Order 24/10 in Dockets UE-220066, UG-220067, and UE-210918 (Consolidated), Puget Sound Energy (“PSE”), hereby submits First Supplemental Table 4 Metrics for the 2023 calendar year (“Table 4”), as explained more fully below.

**Initial Filing**

On February 15, 2024, PSE filed the average Affordability Metrics<sup>1</sup> portion of Table 4 for the 2023 calendar year (“Initial Filing”). In the Initial Filing, PSE indicated the 2023 data required for the Financial Metrics of Table 4 would not be available until after PSE files its 2023 Form 10-K as well as its 2023 Commission Basis Report (“CBR”). Therefore, PSE committed to supplement Table 4 with the 2023 Financial Metric after March 31, 2024. PSE also indicated that it would file the required 2023 Energy Burden data and the alternative calculation for Affordability on August 31, 2024.

**First Supplemental**

In this First Supplemental filing of Table 4, PSE is providing the results of its Financial Metrics for the 2023 calendar year.

---

<sup>1</sup> This average affordability metrics calculation does not depend on energy burden data and therefore was filed according to the requirements of Paragraph 111 of Final Order 24/10.

Jeff Killip, Executive Director and Secretary
