Olympia, Washington 98504-7250

Docket No. UT-023003

Dear Ms. Washburn:

Pursuant to Paragraph 12 of the Washington Utility and Transportation Commission's ("Commission") Second Supplemental Order, Verizon Northwest Inc. ("Verizon"), by counsel, files its comments identifying those rates developed in Docket No. UT-960369, et al. that Verizon proposes for review in this proceeding. Verizon seeks review of the following rates:

Recurring Rates

Deaveraged 2-wire analog loops
Deaveraged 4-wire analog loops
NIDs
Basic analog port
Local office switching
Common/shared transport termination
Common/shared transport facility

Ms. Carole J. Washburn
