RE: Aronson Campbell Industrial Supply v. MCI WorldCom
Docket No. UT-030168

Dear Ms. Washburn:

I am filing this request via facsimile pursuant to permission granted by Judge Rendahl during a telephone conversation with her. This is to respond to the Commission's Notice of Cancellation of Prehearing Conference and Request for Scheduling Information.

MCI WorldCom understands that the Commission tentatively has scheduled a hearing on the morning of July 22, 2003 to determine whether the proposed settlement in this docket is in the public interest. MCI WorldCom is available to participate in the hearing via conference call. MCI WorldCom intends to present a witness to verify the contents of the proposed settlement and present brief testimony as to why the settlement is in the public interest.

As to the remaining issue addressed in the Commission's July 2, 2003 Notice, MCI WorldCom wishes to waive the entry of an initial order and requests that the Commission issue a final order approving the settlement agreement and dismissing the Complaint.

Very truly yours,

Michel Singer-Nelson
