Request for Emergency Plan Information UT-031755

Dear Mr. Dittenmore:

The Telephone Company of Central Florida, Inc. [TCCF] was granted classification as a competitive telecommunications company on September 23, 1998. Currently TCCF provides the resale of long distance services in the state of Washington.

TCCF relies on the emergency implementation protocols of its underlying carrier, Global Crossing. For security purposes, TCCF stores its data backups off site.

TCCF's main contacts for your records are as follows:

Mark Richards, Chief Information Officer and acting CEO
John Conte, Director of Operations

DD: 407-942-1250
DD: 407-492-1230.

Should you have need for additional information please contact me.

With kind regards,

Barbara Greene
