Re: Canterwood Tariff Filing – Updated Advice Letter – Second Revision of Sheet
No. 22 Canceling Substitute First Revision of Sheet No. 22

Dear Ms. Washburn:

The purpose of this letter is to update the information that was contained in the January 12, 2006 advice letter. Enclosed you will find a tariff sheet that makes a compliance filing as directed by the Commission's Orders in Docket No. UW-040651. The compliance filing does not change any rates as indicated in our prior letter.

We also wish to clarify the statement that the rate structure was being filed "as requested." It is the Company's determination that it is appropriate to keep the existing rate structure.

We trust that with these clarifications, this matter can move forward for consideration of the substance of the issues related to the Company's revenue requirements and rate structure.

Thank you for your consideration.

Sincerely,

RUSSELL TANNER, President
