Good morning Sue,

Thank you for the letter dated October 23, 2009, in which Benton County provides additional information about the Wiser Parkway fka Sagebrush Road railroad crossing project. UTC staff accepts the amendments to what was previously approved in this docket. Once a final decision is been made regarding the number of lanes at the crossing, please notify me. I will prepare a supplemental order recommending approval of the project amendments.

If you have any questions, please contact me.
