- 1 Administrative Law Judge Gregory J. Kopta entered Order 06, Initial Order Approving and Adopting Partial Settlement Agreement, in this docket on February 28, 2011.
- 2 On February 28, 2011, Waste Management of Washington, Inc., and Commission Staff filed letters with the Commission waiving their right to seek administrative review of Order 06 and requesting the Commission allow the order to become final by operation of law as soon as practicable. The Commission will not seek review of the order on its own motion.
- 3 Therefore, under RCW 80.01.060(3), the order became final on February 28, 2011, by operation of law.
- 4 In allowing this order to become final, the Commission does not endorse the order's reasoning and conclusions. If cited in the future, the order must be identified as an Administrative Law Judge's order.

Sincerely,

DAVID W. DANNER  
Executive Director and Secretary
