RE: *Washington Utilities and Transportation Commission v. Pack's Delivery, LLC, d/b/a
Pack's Shuttle*
Commission Staff's Recommendation to Waive Suspended Penalties of Order 02
Docket TE-180710

Dear Mr. Johnson:

On November 14, 2018, the Washington Utilities and Transportation Commission (Commission) entered Order 02, which assessed Pack's Delivery, LLC, d/b/a Pack's Shuttle (Pack's Shuttle or Company) a penalty of \$10,000 for operating as a charter or excursion carrier after the cancellation of its certificate. In addition, Order 02 suspended a \$9,000 portion of the penalty for a period of two years on the conditions that: (1) the Company refrains permanently from further operations as a charter or excursion carrier in the state of Washington without first obtaining the required certificate, and (2) Pack's Shuttle pays the \$1,000 portion of the penalty that is not suspended in accordance with the approved payment schedule.

On February 14, 2019, the Company paid the \$1,000 penalty in full. To date, Pack's Shuttle has refrained from further operations as a charter or excursion carrier in this state. Staff finds that Pack's Shuttle satisfied the conditions of Order 02 and recommends that the \$9,000 suspended penalty be waived.
