RE: Cascade Natural Gas Corporation's 2019 Annual Hedging Plan (Docket UG-\_\_\_\_\_)

Dear Mr. Johnson:

Cascade Natural Gas Corporation ("Cascade" or "Company") hereby encloses for filing the attached hedging plan, with enclosed appendices including a compliance matrix based on the Commission's feedback from the 2018 Hedging Plan.

The information contained in the plan is confidential pursuant to WAC 480-07-160(2)(c) as the plan contains valuable commercial information. Details regarding Cascade's hedging trades and strategies could put Cascade at a negotiation disadvantage when contracting for physical supplies or hedging opportunities. This in turn could potentially negatively impact the gas costs paid by the Company's customers.

If there are any questions regarding this matter, please me at (509) 734-4589. Alternatively, I may be reached at [mark.sellers-vaughn@cngc.com](mailto:mark.sellers-vaughn@cngc.com).

Sincerely,  
CASCADE NATURAL GAS CORPORATION
