Re: Docket No. UT-970723
City of Kent Response to Additional Comments

Dear Mr. McLellan:

The City of Kent requests a copy of the TCI "white paper" filed with the Commission on December 3, 1997.

The City of Kent also wishes to comment that the "Rules, Regulations, and Procedures Regarding Attachments To Transmission Facilities" be drawn so that it is clear that these proposed Rules, Regulations, and Procedures do not supersede contractual obligations of utility providers regarding required relocation of facilities within public right-of-ways pursuant to obligations entered into by franchise, ordinance, or agreement with public entities.

If you have any questions or comments, please do not hesitate to call.

Very truly yours,

TOM BRUBAKER
ASSISTANT CITY ATTORNEY
