**NOTICE OF EXTENSION OF TIME TO FILE SUR-REBUTTAL TESTIMONY
(Now Due June 30, 2009)**

RE: *Verizon Select Services, Inc.; MCIMetro Access Transmission Services, LLC; MCI Communications Services, Inc.; Teleconnect Long Distance Services and Systems Co. d/b/a Telecom USA; and TTI National, Inc., v. United Telephone Company of the Northwest, d/b/a Embarq*, Docket UT-081393

TO ALL PARTIES:

On November 20, 2008, the Washington Utilities and Transportation Commission (Commission) entered Order 02, *Second Prehearing Conference Order*, in this docket. Order 02 set out the procedural schedule for this matter, including filing deadlines for pre-filed testimony. To date, the parties have met all such deadlines.

On Wednesday, June 24, 2009, Embarq filed a letter requesting a two day extension of the June 26, 2009, filing deadline for its sur-rebuttal testimony. Embarq explained that a late response to one of its discovery requests required the delayed filing. Embarq noted that it had consulted with all other parties and none objected to its extension request.

Embarq's request for an extension of time to file its sur-rebuttal testimony is granted. The request complies with the requirements contained in WAC 480-07-385 and will not prejudice the parties or the Commission. The deadline for submission of sur-rebuttal testimony shall now be Tuesday, June 30, 2009. All other provisions of Order 02 will remain in effect.

Thank you for your attention to these matters.

Sincerely,

ADAM E. TOREM
Administrative Law Judge
