**Docket No. UE-070725
Amended Petition of Puget Sound Energy, Inc. For an Order Authorizing
the Use of the Proceeds from the Sale of RECs and CFIs**

PUBLIC COUNSEL DATA REQUEST NO. 061

PUBLIC COUNSEL DATA REQUEST NO. 061:

For each REC sales transaction entered into by PSE since January of 2007, please indicate whether such sale resulted from a competitive auction process or other competitive solicitation process. If not, please explain how PSE determined that such sales reflected the market price for RECs at the time of the transaction.

Response:

Other than the competitive auction process conducted by Puget Sound Energy, Inc. as part of the settlement transactions, the other Renewable Energy Credit ("REC") sales transactions were either the product of bilateral negotiations or executed through brokers at the market price for RECs at the time of such transactions.
