NOTICE OF MOTIONS CONFERENCE

(January 2, 2001-1:30 p.m.)

RE: *Air Liquide, et al. V. Puget Sound Energy, Inc., Docket Nos. UE-001952 and UE-001959 (Consolidated)*

TO ALL PARTIES OF RECORD:

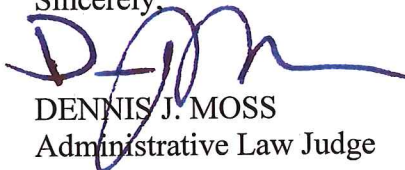

PLEASE BE ON NOTICE THAT the Commission will conduct a Motions Conference in this proceeding on January 2, 2001, at 1:30 p.m., in Room 108 at the Commission's offices in the Chandler Plaza Building, 1300 S. Evergreen Park Drive S.W., Olympia, Washington. It is anticipated that most parties will participate by teleconference line. Parties who wish to participate via telephone should call the Commission's teleconference bridge line number, 360-664-3846 at the appointed hour.

This motions conference is being conducted to resolve a motion to compel by Complainants. The motion states that it was provided via electronic transmission to Respondent, Staff, and Public Counsel on January 1, 2001. The motion was received by the Commission for filing this morning at approximately 8:00 a.m. The Commission finds it is necessary given the nature of the proceedings and the extremely expedited schedule under which it is being conducted to schedule this conference on shortened notice.

Any other discovery disputes or procedural matters that mature by the time of this motions conference may be considered. The Commission may conduct such other business as appropriate to facilitate discovery and case management generally.

Please note that the Motions Conference proceedings will be officially recorded by audio tape only.

Sincerely,

DENNIS J. MOSS
Administrative Law Judge
