**NOTICE REQUIRING REFILING
(By February 15, 2007)**

RE: *In the Matter of the Petition of QWEST CORPORATION To be Regulated
Under an Alternative Form of Regulation Pursuant to RCW 80.36.135
Docket UT-061625*

TO ALL PARTIES:

By Notice issued January 29, 2007, the Washington Utilities and Transportation Commission (Commission) granted the motion to accept late-filed documents filed by Public Counsel and permitted working copies of , among other things, Excel spreadsheets for certain exhibits attached to Dr. Robert Loubé's testimony (RL-5 through RL-10) to be filed on February 1, 2007. On February 1, 2007, Public Counsel timely filed the documents.

According to WAC 480-07-140((b)), electronic versions of documents must be filed in certain formats so that spreadsheets displaying results of calculations include all formulas. The working copies of exhibits RL-5 through RL-10 filed on February 1, 2007, do not contain formulas.

In order to comply with the regulation and facilitate the Commission's review of these exhibits, Public Counsel must refile electronic versions of exhibits RL-5 through RL-10 containing formulas for each cell.

NOTICE IS HEREBY GIVEN That Public Counsel must refile electronic versions of Dr. Robert Loubé's exhibits RL-5 through RL-10 in a format that contains the formula for each cell. The deadline for refiling these exhibits is February 15, 2007.

Sincerely,

PATRICIA CLARK
Administrative Law Judge
