**NOTICE OF HEARING GUIDELINES**

**Re:** Consolidated Proceedings : *Air Liquide, et al. v. PSE*, Docket No. UE-001952; and *Petition of Puget Sound Energy, Inc., For an Order Reallocating Lost Revenues Related to any Reduction in the Schedule 48 or G-P Special Contract Rates*, Docket No. UE-001959

TO ALL PARTIES:

**Requirements for ALL exhibits:**

A. All paper copies of exhibits must be

- On 8-1/2x11 paper, **punched for insertion in a 3-ring binder**,
- Punched with **OVERSIZED HOLES** to allow easy handling.
- To the extent possible exhibit materials should be double-spaced and in 12-point type.
- All exhibits must be printed or copied for optimum legibility.
- **SEQUENTIALLY NUMBERED (all pages)**. It is not reasonable to expect other counsel or the bench to keep track of where we are among several hundred (or sometimes even just several) unnumbered pages.

B. **Identifying exhibits.** Be prepared to identify each exhibit with a descriptor of a few words that reflect the exhibit's contents. For example: "Correspondence dated mm/dd/yy from Jon Buck to Jane Doe"; "XYZ, Inc's 4<sup>th</sup> Quarter 1999 SEC Form 10Q"; "Party X's response to Party Y's Data Request No. 14." The Bench will assign exhibit numbers. Parties are responsible for marking their own copies.

C. **Number of copies.** Be certain that you have the number of copies necessary to:

- provide five copies of every exhibit to the Bench
- provide a copy of every exhibit to each Party

- provide a copy to the witness
- retain a copy for your own use during questioning

**D. Distribution.**

**1. Direct Examination Exhibits:** Parties are required to provide each of their witnesses with **all** exhibits they intend to offer through that witness when the witness takes the stand. **Parties are required to pre-distribute all potential direct examination exhibits to the Bench and to the other parties in advance, in accordance with procedures that will be worked out with all parties who are sponsoring witnesses during informal discussions to be held on January 5, 2001.** Preferably, all such exhibits will be provided to the Bench and made available to other parties no later than 2:00 p.m. on Sunday, January 7, 2001. The Bench will assign numbers for identification at hearing and, if the exhibit is moved and accepted into the record, that will be its Exhibit Number.

**2. Cross-Examination Exhibits:** Counsel are not required to ask permission from the Bench to approach either the witness or the Bench to provide a cross-examination exhibit, **unless the exhibit includes information designated "Confidential" or "Highly Confidential" under the terms of our Protective Order.** Before inquiring of the witness regarding an exhibit, however, counsel are required to distribute copies to all other counsel or authorized representatives, to the witness, and to the Bench. The Bench will assign a number for identification and, if the exhibit is moved and accepted into the record, that will be its Exhibit Number.

**3. Exhibits Not Sponsored By A Witness:** Commission practice permits parties to offer certain exhibits without the necessity for a sponsoring witness. Principally, this involves responses to data requests, depositions, documents on file at the Commission, and other documents of which the Commission can take official notice, and similar documents that possess qualities of reliability despite their hearsay character. **Parties are required to pre-distribute all such exhibits to the Bench and to the other parties in advance, in accordance with procedures that will be worked out with all parties who are sponsoring witnesses during informal discussions to be held on January 5, 2001.** Preferably, all such exhibits will be provided to the Bench and made available to other parties no later than 2:00 p.m. on Sunday, January 7, 2001. The Bench will assign numbers for identification at hearing and, if the exhibit is moved and accepted into the record, that will be its Exhibit Number.

Additional guidelines for the conduct of this proceeding will be reviewed with the Parties at the outset of the evidentiary hearing on Monday, January 8, 2001, at 8:00 a.m.

Sincerely,

DENNIS J. MOSS,  
Administrative Law Judge
