PUBLIC COUNSEL DATA REQUEST NO. 066

PUBLIC COUNSEL DATA REQUEST NO. 066:

Reference page 15 of Mr. De Boer's rebuttal testimony. Please clarify whether PSE is seeking to recover a portion of REC proceeds only from the SCE and PG&E transactions which the Company alleges were related to its California Receivable settlement, or from all REC sales proceeds. If the Company is seeking to recover a portion of all REC proceeds, including transactions which are unrelated to the settlement, please explain why this is appropriate.

Response:

Please see the Prefiled Rebuttal Testimony of Tom De Boer, Exhibit No. TAD-3HCT, page 15, lines 3 -8 and page 16, lines 6 -13. Puget Sound Energy, Inc. is seeking to recover \$21,062,800, which is the net amount of the California Receivable not including any interest, from the REC Proceeds.
