NOTICE MODIFYING PROCEDURAL SCHEDULE
(Simultaneous Initial Briefs due on Friday, November 7, 2014)
(Simultaneous Reply Briefs due on Thursday, November 20, 2014)

Re: *Washington Utilities and Transportation Commission v. Waste Control, Inc.*,
Docket TG-140560

TO ALL PARTIES:

On May 2, 2014, the Washington Utilities and Transportation Commission (Commission) entered Order 02, Prehearing Conference Order; Notice of Hearing in the above-referenced docket establishing a procedural schedule to address the solid waste tariff revisions filed by Waste Control, LLC (WCI). On September 12, 2014, and after receiving notification that the parties had reached a partial settlement, the Commission cancelled the evidentiary hearing and suspended the procedural schedule.

The Commission's regulatory staff and WCI request that the Commission allow the parties to brief the remaining issues in this proceeding in place of a full evidentiary hearing (Joint Motion).¹ The Commission finds that this will conserve party and Commission resources and simplify the evidentiary record. The request for a briefing schedule to address the remaining contested issues should be granted.

THE COMMISSION GIVES NOTICE That the parties may address the remaining contested issues in simultaneous initial briefs, which are due on November 7, 2014, and simultaneous reply briefs, which are due on November 20, 2014.

MARGUERITE E. FRIEDLANDER
Administrative Law Judge

¹ WRRA has indicated support for the Joint Motion.
