Re: Docket No. UT-960323
Request for Approval of Amendments to the Interconnection Agreement
between Qwest Corporation and MCI WorldCom Communications, Inc.

Dear Ms. Washburn:

On August 7, 2003, Qwest submitted a request for approval of two interconnection agreement amendments between Qwest Corporation and MCI WorldCom Communications, Inc: Collocation Available Inventory Amendment; and the Unbundled Packet Switching, UNE-P Line Splitting and Loop Splitting Amendment. On September 3, 2003, Kristin Russell informed me that the original of the latter agreement we submitted was not executed by MCI WorldCom. To correct that error and provide the Commission with a fully executed document, we have pulled the original signature page from Qwest's original amendment and are submitting that page for replacement. Two copies of the signature page are also enclosed. Thank you.

Sincerely,

Elizabeth M. Weber
