Re: Docket No. TG-131794 - *Washington Utilities and Transportation Commission v. Waste Control, Inc.*,
G-101; Company Prefiled Testimony and Exhibits

Dear Mr. King:

Pursuant to the Prehearing Conference Order No. 3 in this matter and the amended schedule which the new Administrative Law Judge transmitted on February 12, 2014, enclosed please find an original and five copies of the Company's prefiled direct testimony on behalf of Jacqueline G. Davis and Joseph Willis in support of the general rate filing in this matter. These materials will be offered into the record at the appropriate time and should not be considered evidence until so entered.

As noted in the prefiled direct testimony of Jacqueline Davis, the Company has previously filed its workpapers pursuant to WAC 480-07-520(4) and proposed revised tariff pages and other supporting documents for this general rate case. That previous filing is referred to here as Exhibit JD-2 and to avoid confusion on agreement of the parties is not again being separately provided. All other exhibits as referenced in the prefiled testimony and index to exhibits provided with each prefiled testimony are also being attached.

Thank you for your cooperation with and attention to this matter and please contact the undersigned should you have further questions or concerns regarding this filing.

Yours truly,

David W. Wiley
