Limo services

---

I am having a - 2nd anniversary party of my 29th birthday. There will be between 17-20 people. We are going to dinner in downtown Seattle then out to a couple of bars. From your website I see you have a 22 passenger limo. Is it available August 14th or August 15th? From 7:00- 2:00. How does it work, do you drop us off and we call you when we are finished with dinner? Do we book it for the entire night?  
Please let me know.  
Thank you
