Date: Tuesday, June 16, 2020 12:45:45 PM

Dear UTC Staff,

We would like to add Indivisible Sequim's voice in calling for the following regarding utility bill payment issues, Docket # U-200281: No debt for poor and working class families; just payment plans for all utilities; and lastly, no fees and disconnects. We feel these items are especially important in these times.

Thank you for your efforts in these matters.

Best regards,
