RE: Docket TC-230964 Effective April 12, 2024 – DO NOT REDOCKET

Dear Jeff Killip,

I need to correct an error from my April 9, 2024, submission of my Tariff No. 5 replacement pages.

When I worked with Rachel Stark, we redid my initial filing that was filed in this docket on November 14, 2023. When I submitted the replacement pages on April 9, 2024, I failed to mention that the replacement pages submission was replacing my November 14, 2023, initial filing of Tariff No. 5 in its entirety.

My new Tariff No. 5 that was submitted on April 9, 2024, is the tariff that went into effect April 12, 2024.

I apologize for the confusion of not stating the replacement filing was a replacement of the entire initial filing.

Thank you.
