**RE: Docket UE-220066 (Advice No. 2024-34)
Puget Sound Energy’s Electric Tariff Revision – Do Not Redocket**

Dear Executive Director Killip:

Pursuant to RCW 80.28.060, WAC 480-80-101 and -105, and WAC 480-07-880, enclosed is a copy of the following revised tariff sheet in compliance with the Commission’s Order Nos. 24/10¹ and the Order in Docket UE-240087 (the “Orders”).

WN U-60 - (Electric Tariff):

12 th Revision	Sheet 52-B	Custom Lighting Service Company Owned (Continued)
---------------------------	------------	---

On December 27, 2022, Puget Sound Energy (“PSE or the Company”) submitted a compliance filing in Docket UE-220066 following issuance of the Orders. This filing contained the 12th Revision of Sheet 52-B of electric Schedule 52, amongst other tariff sheets for other electric schedules. This filing was rejected in part in Order 26/12 in Docket UE-220066, for reasons unrelated to the 12th Revision of Sheet 52-B. On January 9, 2023, PSE submitted an updated compliance filing in Docket UE-220066. This filing inadvertently did not contain the 12th Revision of Sheet 52-B of electric Schedule 52. The January 9, 2023 filing was approved, and rates became effective on January 11, 2023.

In January 2024, PSE contacted Commission Staff to explain that it had identified that the 12th Revision of Sheet 52-B of electric Schedule 52 was inadvertently omitted from the January 9, 2023 compliance filing. On March 5, 2024, Staff began an investigation into the Company’s compliance with RCW 80.28 and WAC 480-100 in Docket UE-240087. On April 19, 2024, a Joint Settlement Agreement and supporting Testimony were filed in that docket. On August 28, 2024, the Commission issued the Initial Order approving the settlement.

¹ Final Order Rejecting Tariff Sheets; Approving Settlements, with Conditions; Authorizing and Requiring Compliance Filing (“Orders 24/10, “Orders”), in consolidated Dockets UE-220066, UG-220067 and UG-210918

The purpose of this compliance filing is to file the 12th Revision of Sheet 52-B, in accordance with the Orders.

Consistent with a compliance filing, the tariff sheet described herein reflects an issue date of September 6, 2024, and effective date of September 14, 2024. Posting of proposed tariff changes, as required by WAC 480-100-193, is being accomplished by posting the proposed tariff sheets on the PSE web site coincident with the date of this transmittal letter.
