

**EXHIBIT BJJ-75 TO THE
RESPONSE TESTIMONY OF
BONNIE J. JOHNSON
ON BEHALF OF
INTEGRA TELECOM**

Greg: As discussed in the accompanying testimony, the screen shot represents a potential format. That functionality has not been developed, and therefore is not for public consumption. We only provided it to give parties and the Commission an idea of what the difference will be. Public disclosure of such documents whether in CMP or in this litigation would serve no good purpose, and could end up being misleading. Until development is complete, it remains a trade secret and disclosure is inappropriate.
