COMMISSION STAFF RESPONSE
TO AVISTA CORPORATION
MOTION TO FILE SUPPLEMENTAL
AND REVISED TESTIMONY AND
EXHIBITS

1 By its Motion for Leave to File Supplemental and Revised Testimony and Exhibits, Avista seeks Commission permission to revise certain testimony to correct errors it made in its direct case. Commission Staff agrees it is appropriate for Avista to correct those mistakes.

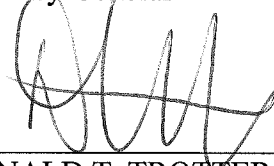

2 Avista also wants to supplement its direct case by adding a new gas attrition study. While Avista provides no reason why it could not have provided this study as part of

the Company's direct case, Commission Staff believes it will be able to evaluate that study, given the present hearing schedule. Consequently, Commission Staff will not oppose the Company's request to supplement its direct case.

Dated this 8th day of June 2012.

Respectfully submitted,

ROBERT M. MCKENNA
Attorney General
