RE: *Washington Utilities and Transp. Commission v. Cascade Natural Gas Corporation*
Docket UG-190210

On March 29, 2019, Cascade Natural Gas Corporation (Cascade) submitted tariff sheets to revise its Tariff WN U-3, which governs Cascade's provision of natural gas service in Washington. The Commission docketed the filing as UG-191210.

On February 3, 2020, the Commission issued its final order in Docket UG-190210. In it, the Commission required Cascade to file revised tariff sheets that complied with the Commission's final order.

On February 25, 2020, Cascade submitted a compliance filing as required by the Commission. Commission Staff has reviewed Cascade's filing and believes that the tariff revisions contained therein comply fully with the Commission's final order.
