BACKGROUND

- 1 On March 15, 2001, PacifiCorp, dba Pacific Power & Light Company
(PacifiCorp) filed with the Commission revisions to its currently effective Tariff
WN U-74, designated as Original Sheets No. 72.1 and 72.2. The purpose of this
filing is to implement an Irrigation Cuirtailment Program for the upcoming irrigation
season.
- 2 WAC 480-80-070 requires thirty days' notice prior to the effective date of the tariff.
The tariff sheet bears an inserted effective date of April 16, 2001. This date
recognizes statutory notice as required. The Company requests, however, that
statutory notice be waived as authorized in WAC 480-80-240, and that the revisions
become effective March 29, 2001. PacifiCorp requests approval on Less than
Statutory Notice because of the impending need of irrigators to make decisions on
investments for the upcoming planting season prior to May 1.
- 3 Since the proposed tariff revisions appear to be fair, just, and reasonable, and waiver
of statutory notice is not inconsistent with the public interest, it is appropriate that the
Commission grant the waiver PacifiCorp requests with an effective date of March 29,
2001.

FINDINGS

- 4 (1) After careful examination of the proposed tariff revisions filed by PacifiCorp
on March 15, 2001, and giving consideration to all relevant matters and for
good cause shown, the Commission finds that the proposed tariff revisions
should become effective March 29, 2001.
- 5 (2) This matter was brought before the Commission at its regularly scheduled
open meeting on March 28, 2001. The Commissioners, having been fully

advised in the matter, and having determined this order to be consistent with the public interest, issue the following order.

ORDER

6 THE COMMISSION GRANTS the requested waiver of statutory notice in connection with the tariff revisions filed by PacifiCorp on March 15, 2001, and the tariff revisions shall become effective on March 29, 2001.

DATED at Olympia, Washington, and effective this 28th day of March, 2001.
