Re: Compliance Filing UE-011331-Advice No. 2002-XX

Dear Ms. Washburn:

Under the above noted Docket, the Commission established a specific set of reporting requirements associated with Puget Sound Energy, Inc.'s ("PSE" or "the Company") Voluntary Load Curtailment Rider service under Schedule 93. This letter is being submitted to comply with those reporting requirements.

PSE has not made any price offers under Schedule 93 during the last six months and therefore, there is no information to report on any of the ten items of detail.

If you have any questions or if we can be of any assistance, please contact me at (425) 462-3229.

Sincerely,

Phillip Popoff  
Supervisor-Regulatory Planning
