Dear Ms. Christofferson:

We have received your request that, under Section 252(i) of the Telecommunications Act of 1996, ATL Communications ("CLEC") wishes to "Pick and Choose" in its entirety, the terms of the Interconnection Agreement and any associated amendments, if applicable, ("Agreement") between MCImetro Access Transmission Services LLC and Qwest Corporation fka U S WEST Communications, Inc. ("Qwest") that was approved by the Commission on August 20, 1997 as an effective agreement in the State of Washington. ATL Communications is incorporated in the state of Oregon. We understand you have a copy of the Wireline agreement.

With respect to the aforementioned Agreement, Qwest and CLEC ("the Parties") understand and agree:

1. The Parties shall request the Commission to expedite its review and approval of this Agreement. This Agreement shall become effective upon such approval.
2. Notwithstanding the mutual commitments set forth herein, the Qwest is entering into this Agreement without prejudice to any positions it has taken previously, or may take in the future, in any legislative, regulatory, or other public forum addressing any matters, including those relating to the types of arrangements contained in this Agreement. During the proceeding in which the Commission is to review and approve the Agreement, Qwest may point out that it has objected, and continues to object, to the inclusion of the terms and conditions to which it objected in the proceedings involving the approval of the Underlying Agreement.
3. CLEC adopts the terms and conditions of the MCImetro Access Transmission Services LLC Agreement for interconnection with Qwest and in applying the terms and conditions, agrees that ATL Communications be substituted in place of "MCImetro Access Transmission Services LLC" throughout the Agreement wherever the latter appears.
4. Qwest requests that notice to Qwest Corporation as may be required under the Agreement shall be provided as follows:
