Re: Request for Approval of Interconnection Agreement between
Qwest Corporation and NOW Communications, Inc.

Dear Ms. Washburn:

In accordance with the Interpretive and Policy Statement issued on June 28, 1996 in Docket No. UT-960269, please find enclosed an original and two (2) copies of the Agreement for Interconnection, Unbundled Network Elements, Ancillary Services, and Resale of Telecommunications Services provided by Qwest Corporation in the State of Washington for NOW Communications, Inc. This Agreement replaces, in its entirety, the Agreement between Qwest and NOW Communications, Inc. which was approved by the Commission on August 11, 1999, in Docket No. UT-990371.

The enclosed Agreement does not discriminate against non-party carriers. It is consistent with the public interest, convenience, and necessity. It is also consistent with applicable state law requirements, including Commission orders regarding interconnection issues. Qwest respectfully requests that the Commission approve this Agreement expeditiously.

The Order on Arbitration Procedure also requests that a proposed order accompany the filing. Qwest requests a waiver of that requirement, and is not providing one with this filing, as the Commission has, in the past, used its own format for Orders. If this is not satisfactory to the Commission, please contact me and I will forward a proposed order immediately.

Sincerely,

Adam L. Sherr
