Olympia, WA 98504-7250

Upon your approval, we would like to modify our Motor Vehicle Passenger and Express Service to reflect transit resuming operations on San Juan Island. I have enclosed a Cover Sheet, Time Schedule, LSN, and Passenger Notification, for Time Schedule Number 43.

We will operate daily starting May 3rd. We expand the schedule on May 17th and again on June 28th to reflect the increase of visitors coming to the island. The last day of operations will be September 1st 2003. We will send the proper notification to you at each increase of service, as well as 30 days notice for the temporary discontinuance of service for the winter.

In accordance with WUTC Rules and Regulations, Passenger Notification and Time Schedule (#43) have been posted at each of the transit stops. The Time Schedule is posted on size 8x11 or 11x16 paper under laminated plastic.

Thank you for your assistance, if you need to contact me, I can be reached at (360) 378-8887.

Sincerely,

Dan Ward
President
