### HOUSEHOLD GOODS TARIFF Purchase Price and Maintenance Fees

Commission-published Tariff 15-A names the rates, charges, and governing rules for the transportation of household goods between points in the state of Washington (Washington intrastate traffic). Under the provisions of Title 81.80 RCW (State Law) and Chapter 480-15 WAC (Commission rules), household goods carriers must purchase and maintain copies of Tariff 15-A. Copies must be kept, subject to public inspection, in the company's main office and in each billing office.

Household goods carriers must purchase the tariff and must also pay annual maintenance fees. Maintenance fees pay for amended pages mailed to you throughout a calendar year. Maintenance fees are calculated based on the month in which they are paid.
