COMMISSION

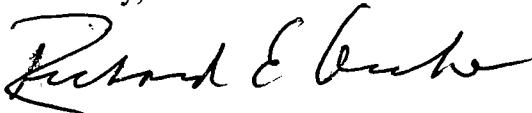

Dear Bob,

Please withdraw our filing made on October 7, 2003 with revised pages 1 and 5 of Tariff No. 9, with a supporting LSN calling for an effective date of October 23, 2003. This withdrawal became necessary because of resistance of Ft. Lewis transportation officials over the amount of increase in Ft. Lewis and McChord AFB fares. The increase would have represented a total 89% increase in fares over the past thirteen months.

Substitute instead revised pages 1, 4 and 5 of Tariff No. 9 to become effective on November 20, 2003. These revised pages reinstate the Ft. Lewis/ McChord AFB (Pierce) rates of Tariff No. 8 and further allow discounted round trip tickets to be sold to Pierce passengers. In addition, Kitsap rates are increased by an additional \$.50 on page 4.

A revised proforma is enclosed reflecting a 30% increase in L & I taxes due on January 1, 2003, a minimum 15% increase in vehicle insurance premiums, settlement costs of Human Rights complaint, increased accounting fees and a \$300/mo. increase for global positioning system (GPS) capability.

Sincerely,

Richard E. Asche
President
