COMMISSION

Dear Mr. Nizam:

Per our December 3rd discussion, I have enclosed a copy of Yakima County's Petition for construction of the Railroad Crossing at Lateral 1 Road and BNSF (Crossing number #IC80.6), for your review.

This project was funded in 2000. Yakima County's request for completion of this rail project will result in safer traffic movement for its residents along this railroad line.

If you have any questions, please feel free to contact me at (509) 574-2300.

Sincerely,

Alan Adolf
Transportation Planner
