approval of a negotiated interconnection and resale of services agreement,
pursuant to the Telecom Act.
- 9 (6) DPI and Verizon voluntarily negotiated the entire Agreement.
- 10 (7) The agreement between DPI and Verizon was brought before the
Commission at its regularly scheduled meeting on April 30, 2003.
- 11 (8) The Agreement does not discriminate against any other
telecommunications carrier.
- 12 (9) The Agreement will facilitate local exchange competition in the state of
Washington.

- 13 (10) The Agreement is consistent with the public interest, convenience, and necessity.
- 14 (11) The Agreement meets the requirements of Sections 251 and 252 of the Telecom Act, including Section 252(e).
- 15 (12) The laws and regulations of the State of Washington and Commission Orders govern the construction and interpretation of the Agreement. The Agreement is subject to the jurisdiction of the Commission.
- 16 (13) After examination of the proposed Agreement filed by DPI and Verizon on April 3, 2003, and giving consideration to all relevant matters, the Commission finds the proposed Agreement should be approved.
